The Loop

The Loop is Ocean's exclusive network, designed to maximize your brands exposure in the heart of Stockholm.

With **38** well planned locations and strategically placed screens, you will reach the busiest pedestrian areas and meet your audience, where its all happening.

These full-motion screens offer not just maximum reach, but also endless creative abilities, with their support for high-tech solutions.

Perhaps add a Special Build, to further make your campaign pop and create a memorable experience.

During the spring of 2025 we have given this network a facelift by replacing all of the screens with new modern high tech digital totems ensured to reduce energy, deliver brighter image and sharper displays.

This ensures an even stronger visual experience for both you as a brand and for the audience.

What really differentiates The Loop from other networks is it's ability to deliver long "dwell time" - attention from people passing by.

And at the same time deliver high attention from city central audiences.
